Dear Neuland Marker friends

There's a basic print on every Neuland Marker by default.

Your desired motiv can be imprinted on the marker, in addition to the already existing basic print. The basic print includes the Neuland logo as well as important information like ink color, EAN code, nib, etc.

This is already on it:

The printable area is next to the marker name.

Is the imprinted marker also available without basic printing?

No, we currently only offer printing on our markers which contain our basic print. This ensures that the color code and type of ink used are clearly identified.

Is there a minimum order quantity?

The minimum order quantity per marker type is 100 pieces.
