Quality Products for Farms,
Ranches, and Veterinary Clinics

[MyVetSupplies.com](https://www.MyVetSupplies.com)

QUALITY PRODUCTS, GREAT PRICES, EXCELLENT SERVICE!

WE ARE A MIDWESTERN COMPANY serving the globe! Family owned and operated, IVS never loses sight of what's most important: the health and comfort of your animals. We are continually adding new products, and we look for the best quality items for our customers.

We check for quality at our Urbandale, Iowa, shipping center before going to customers; nothing leaves our facility without thorough inspection.

These days, it can be hard to find a company where you can talk directly to the staff, but that's what you'll find at IVS. We pride ourselves on being customer and service-oriented.

OUR MISSION: To offer the best and most complete line of high-quality products, at affordable prices, and with service that can't be beat. Give us a call today or visit us online!

HOOF CARE & BANDAGES

NOT ALL BANDAGES ARE EQUAL!

Compare with the competition — we think you'll agree — IVS brand bandages are superior! Other bandages are made from plastic. Our lightweight fabric is breathable, stretches, compresses and stays in place. And these bandages are durable, meaning you use less bandage material per roll.

COHESIVE FLEXIBLE BANDAGE

- 2" and 4" widths available
- Quick & easy application
- Self-adhesive
- Straight hand tear — no scissors needed
- Provides lightweight compression and sticks to itself, not the wound
- Allows skin to breathe and is non-irritating
