

PRODUCT NAME

SHAKER Stool

Shown in: Counter Height | Sedona Leather | Oxidized Oak | Blackened Steel

The shaker Stool is handmade to order and features a well balanced metal frame and a comfortable upholstered seat and back. Inspired by the boarding ladder steps of an old boat. The anti-slip wooden footrest offers a subtle warm touch to your feet. Designed to last and age gracefully through generations of use. Available in a large variety of finishes & COM / COL.
