Go Ultra OTC Hearing Aids

Convenient Hands-Free Streaming

These rechargeable, OTC hearing aids offer digital sound processing and advanced audio features that help you hear better wherever you go. Enjoy the convenience of hands-free, Bluetooth-streaming capabilities. Answer phone calls or listen to your favorite music and media, directly through your hearing aids. Go Ultra OTC hearing aids are discreet with a comfortable behind-the-ear design that ensures easy, all-day wearing.

Go Ultra is ideal if you're looking for a hearing aid that provides ultra rich hearing functionality and exceptional value.

Available in gray.

A Price You Can't Ignore

Hearing aids that feature rich hearing functionality for only \$499 per pair.

Features

- Digital sound processing and advanced audio features
