Introducing Our 2023 New Arrivals: A Tapestry of 150 Exquisite Wines

With great excitement, we reveal to you our latest additions of 2023. Each of these wines tells a story and we brought them here to Amman so we can share it with you. From the sunny hills of Provence to the frosty terraces of the Loire and Alsace, from the foggy valleys of Piemonte to the distant shores of New Zealand, prepare to embark on a remarkable journey of the senses.

Within these pages, we invite you to immerse yourself in our selected highlights. Each bottle encapsulates a unique narrative, a reflection of its origin and the dedication poured into its creation. All new arrivals can be found online on our website 13c.wine, readily available for your exploration, while our in-store connoisseurs stand ready to guide you. Allow us to share the stories behind these wines, to help you select a companion for an occasion, a meal, or simply a moment of pleasure.

Let's raise our glasses to the refreshing Rosés and crisp whites that will cool down these hot days, and let's anticipate with the bold reds that will envelop us in warmth as the chill approaches the horizon. We hope you like them!

VIN DE PROVENCE

AIX

Drawn from one of Provence's most celebrated terroirs, AIX is created to be the purest possible expression of what a rosé wine can be. A rosé for rooftop parties, weekends by the pool, or simply celebration of life!

AIX 75cl: 30 JOD

AIX 1.5L: 60 JOD

AIX 3L: 145 JOD

AIX 6L: 400 JOD

AIX 15L: 1,170 JOD

TASTING NOTES: (2022)

A bright, joyous, pale pink colour in the glass. A swirl lifts the intense nose of fresh peach juice, raspberries, and white floral blossoms. Fresh stone fruit, raspberries, and the classic cranberry tang lead the palate and balance the fine acid tension. The AIX Rosé 2022 finishes with a refreshingly long, dry, and balanced mineral line. A wine that exceeded expectations!

1 wine in 5 different sizes: **75cl, 1.5L, 3L, 6L and 15L.**

Loire Valley

FRANCE

The Loire Valley is one of the most sought after wine regions in France for quality white wines. Based on the Sauvignon blanc grapes, you'll find big appellations like Sancerre, Pouilly Fumé, but also a delicious rosé d'Anjou and a very light and pleasant red wine from Chinon.

It is often debated by wine connoisseurs that the best white wines come from the Alsace region. Dominated by Riesling and Gewurztraminer, you're into discovering new flavors, lots of aromas and exceptional aging potential.
