Canon OFFICE MAXIFY MB5460

Canon

All-in-One Small Office Printer

Do you have a small business or do loads of work out of a small office? For those of you who print, scan and copy often - the Canon OFFICE MAXIFY MB5460 is for you. Loaded with business ready features, the MB5460 has the speed to keep up with how you work. The first thing you'll notice with this great multifunction printer is how fast the first page comes out – but what you'll appreciate the most is that it will save you in ink costs – with black and white pages costing approximately 2.3 cents per page.

KEY FEATURES AT A GLANCE:

FAST – because you don't have time to waste
* Be impressed with just how fast you can print, at 24.0 ipm for black and white and 15.5 ipm prints for colour[1] in A4.
* Hit print and get your page out in approximately 6 seconds for black and white and 7 seconds for colour[1].
* Scan speeds using the ADF (automatic document feeder) are super fast producing 23 ipm in black and white, and colour[4].
* Be even more impressed with the copying speeds through the ADF copying 22 ipm in black and white and 11.5 ipm in colour[2].
* Save loads of time with this model's signature feature of single pass 2 sided scanning – save you doing this manually.

QUALITY – because why should you compromise
* Get a maximum print resolution of 600x1200 dpi – so your documents are crisp and clear when showing off your great work.
* Show off your colours – 4 single ink tanks are used to get the best quality to represent your work in the best light.
* Pigment inks are used to demonstrate high quality prints. Our MAXIFY inks are water resistant, so you can highlight over your work straight out of the printer.
* We know you want to get started straight out of the box, that's why we have included a set of standard ink tanks.

CONNECTED – because how you work is evolving
* Great wired options including Hi-Speed USB 2.0, Ethernet 10/100MPS (auto switchable) and USB flash Memory port (A Type) – this will help you get the fastest speeds possible.
* Easy wireless options including WIFI, Wireless LAN and Access Point Mode – frees your printer from your workspace.
* Connect from your smart device using the Canon Print Inkjet/ SELPHY app and get your documents off your smart phone and printed.
* Other great connection options include MAXIFY Cloud link, Microsoft Mobile Print, Apple Air Print and Google Cloud Print.

EFFICIENT – because keeping costs down is important
* Our XL ink tanks with this model can deliver 2,500 black pages and up to 1,500 colour pages on average.
* Using our genuine XL inks and paying at RRP will mean the cost per page is approximately 2.3 cents per page, for black and white prints.
* The ability to print conveniently and easily in duplex means you can cut down on paper costs.
* A simple auto on and off feature will ensure that your printer is not constantly switched on and using power, which adds to our EPEAT and Energy Star Compliance.

ADDED FEATURES – ready for business

* **NEW** Easy ID Scan – scan both sides of your ID and prints on one page.
* 3.5 inch touch screen display
* For those of you who still need it – Fax is available.
* Added security settings allows you to protect confidentiality and restrict use to specific users.

* Two high capacity paper trays, holding 250 pages each.
* Set up administrator access and pre-set your administrator to receive status or error email notifications such as things as low ink or out of paper.
* Duty cycle of up to 30,000 pages/ month.
* Handles various paper types including label paper, plain paper, envelopes and photo paper.

WHAT INKS CAN I USE WTH MY PRINTER?

Now with new hybrid inks, giving you brighter images with deeper blacks and more vivid reds. Choose high capacity inks to reduce your printing costs and also reduce the number of ink changes.

Power Source	AC100 - 240V, 50/60Hz
Power Consumption	Standby (scanning lamp is off) USB connection to PC: approx. 0.9W, OFF: Approx. 0.3W, Copying (USB connection to PC) approx. 27W
Dimensions (W x D x H)	Approx. 463 x 394 x 351 mm
Weight	Approx. 12.9kg

Disclaimers

• If your inkjet printer is found defective within the applicable manufacturer warranty period (1 Year), we'll replace it with the same, or an equivalent model. Excludes damage caused by external factors. Canon's full replacement promise is in addition to your rights under Australian Consumer Law which, depending on the type of fault, includes repair, replacement or a refund. For full terms see: www.canon.com.au/printassist or the card in the printer box. Only for products purchased at Authorised Canon Australia retailers

• Photo print speed is based on the default setting using ISO/JIS-SCID N2 on Photo Paper Plus Glossy II and does not take into account data processing time on host computer. Print speed may vary depending on system configuration, interface, software, document complexity, print mode, page coverage, type of paper used etc.

• USB cable not included.

Note: A complete set of ink cartridges with ink available in each cartridge is required for all functions including copy, print, scan and fax. Some functions (e.g. PIXMA Cloud Link, scan to cloud or scan to email) may not work unless genuine Canon inks are used and/or an internet connection established.
