# HEARTS OF PALM

An interdenominational mission host site, striving to focus on how God lovingly works through people.

We are located on the campus of St. Mark's Episcopal Church & School, in the northern Palm Beach County community of Palm Beach Gardens, Florida.

**Mission teams become ambassadors for Christ, loving the world one heart at a time.**

Palm Beach may be the most exclusive address in the United States, but Palm Beach County is a tale of two worlds, where wealth and poverty rub shoulders. Severe poverty and homelessness is hidden in the shadows of millionaire mansions and ocean-front homes.

Our mission is to make a difference in the lives of those who struggle daily in this world, especially when they are so easily forgotten under the glitz and glitter of those who have so much.

Ministry opportunities include: house painting, landscape, neighborhood and beach clean-up, soup kitchen, food bank, animal rescue and shelters, nursing home visits, and many more.

Your group will learn to love as Jesus loves and to serve with His hands and heart. Participants will be transformed by the love, strength, resilience, and hope of those they meet and serve.
