

MATERIAL SAFETY DATA SHEET

1. Identification of substance

Product details : BRONZE BOHEME

Trade name : BRONZE BOHEME

Distributor/Supplier :

VANI-T Pty Ltd
1/644 Grange Road
Henley Beach SA 5022
Ph +61 8 82068700

Information department : Product safety department.

2. Composition/Data on components :

Chemical characterization

Description : BRONZE BOHEME

3. Hazards identification :

Hazard description : not applicable

Information pertaining to particular dangers for man and environment :

not applicable

4. First aid measures

General information : No special measures required.

After skin contact : Generally the product does not irritate the skin.

After eye contact : Rinse opened eye for several minutes under running water.

After swallowing : Induce vomiting and call for medical help.

5. Fire fighting measures

Suitable extinguishing agents :

CO₂, extinguishing powder or water spray. Fight larger fires with water spray.

Protective equipment : No special measures required.

6. Accidental release measures

Person-related safety precautions : Not required.

Measures for environmental protection : Dilute with plenty of water.

Measures for cleaning/collecting :

Absorb with liquid-binding material

Additional information : No dangerous substances are released.

7. **Handling and storage**

Handling.

Information for safe handling : No special measures required.

Information about protection against explosions and fires :

No special measures required.

Storage

Requirements to be met by storerooms and receptacles :

No special measures required.

Information about storage in one common storage facility : Not required.

Further information about storage conditions : None.

8. **Exposure controls and personal protection**

Additional information about design of technical systems :

No further data; see item 7.

Components with limit values that require monitoring at the workplace :

The product does not contain any relevant quantities of materials with critical values that have to be monitored at the workplace.

Additional information :

The lists that were valid during the creation were used as basis.

Personal protective equipment

General protective and hygienic measures :

The usual precautionary measures should be adhered to when handling chemicals.

Breathing equipment : Not required.

Protection of hands : Not required.

9. **Physical and chemical properties**

Form : Solid Pressed Powder

Fluid-- N/A

Color : Two Colors

Odor : odourless

Value/Range Unit Method

Change in condition

Melting point/melting range : -----

Boiling point/Boiling range : -----

Flash point : ----

Self igniting : Product is not selfigniting

Danger of explosion : Product does not present an explosion hazard.

Density : at 20°C 2.9-3.0g/cm³

Solubility in / Miscibility with

Water : Almost Insoluble.

pH-value : N/A

Solvent content :

Water Recative : No

10. Stability and reactivity

Thermal decomposition / conditions to be avoided :

No decomposition if used according to specifications.

Dangerous reactions : No dangerous reactions known.

Dangerous products : No dangerous decomposition products known.

11. Toxicological information

Primary irritant effect :

On the skin : No irritant effect.

On the eye : No irritating effect.

Sensitization : No sensitizing effects known.

Additional toxicological information :

The product is not subject to classification according to the calculation method

of the General EU Classification Guidelines for Preparations as issued in the latest version : When used and handled according to specifications, the product does not have any harmful effects according to our experience and the information provided to us.

12. Ecological information

Information about elimination

Other Information : The product is easily biodegradable.

General notes : Water hazard class 0 : generally not hazardous for water.

13. Disposal considerations

Product :

Recommendation :

Smaller quantities can be disposed of with household waste.

Must be specially treated adhering to official regulations.

Uncleaned packagings :

Recommendation :

Empty contaminated packagings thoroughly. They can be recycled after thorough and proper cleaning.

Recommended cleansing agent : Water , if necessary with cleansing agents.

14. Transport information

Transport/Additional information : Not dangerous according to the above specifications.

15. Other information

This information is based on our present knowledge. However, this shall not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship.
