SAFETY DATA SHEET**Product Name** Style Stories Twisted Curls**SECTION 4: First Aid Measures**

If Swallowed Rinse mouth with water. If swallowed, give a glass of water to drink. Do not induce vomiting. If vomiting occurs, give further water. Seek medical advice.

In Eyes Flush eyes with plenty of water for 15 minutes - also under the eyelids. Remove contact lenses if possible. If irritation persists, seek medical advice.

On Skin Wash with plenty of soap and water. Where large quantities are involved, remove contaminated clothing and wash before reuse. If irritation persists, seek medical advice.

If Inhaled Unlikely to occur. If inhalation occurs, remove from further exposure. Seek medical advice if effects persist.

Advice to Doctor: Treat symptomatically.

Acute:

Swallowed No known significant effects or critical hazards. However, large amounts may cause nausea and vomiting.

Eyes May cause eye irritation.

Skin May be irritating with prolonged contact, especially when handling bulk quantities of liquid.

Inhalation Not expected under normal conditions of use.

Chronic: No data available.

SAFETY DATA SHEET**Product Name** Style Stories Twisted Curls**SECTION 5: Fire Fighting Measures**

Fire/Explosion Hazard	Product is non flammable. However, in a large fire, toxic fumes may be generated. No unusual fire or explosion hazards.
Extinguishing Media	Use water spray, fog or mist, carbon dioxide, foam or dry chemical to fight fire.
Protection Equipment for Firefighters	Wear self contained breathing apparatus and suitable protective clothing.

SECTION 6: Accidental Release Measures

Spills & Disposal	Product may be slippery when spilt. Where large quantities are involved, contain spilt material with sand, earth, vermiculite or other absorbent material. Dispose of waste according to local regulations. Prevent entry of spills into waterways or sewers. Eliminate ignition sources and keep area well ventilated.
------------------------------	---

SECTION 7: Handling and Storage

Precautions for Safe Handling	Avoid contact with eyes. Avoid prolonged exposure. Provide adequate ventilation. Wash hands after handling.
Conditions for Safe Storage, including any Incompatibilities	Store in a cool, dry, well ventilated place away from flame, ignition or heat sources. Keep containers closed when not in use. Check regularly for spills. Avoid contact with strong oxidising and reducing agents.

SAFETY DATA SHEET

Product Name Style Stories Twisted Curls

SECTION 8: Exposure Controls and Personal Protection

Exposure Limits No data available.

Engineering Controls Use with adequate ventilation. Keep containers closed when not in use.

Personal Protection None required under normal conditions of use.

When handling bulk quantities of product:

- Wear suitable gloves (PVC or rubber) and protective goggles.
- Wear overalls to minimise skin contact.

Flammability Product is non flammable.

SAFETY DATA SHEET**Product Name** Style Stories Twisted Curls**SECTION 9: Physical and Chemical Properties****Appearance and Odour** White gel emulsion with characteristic odour.**Boiling Point/Range °C** Not determined **Vapour Pressure Kpa** Not determined**Volatiles (% volume)** 88.0 - 90.0 **Specific Gravity (Kg/L)** 0.990 - 1.010**Flash Point (°C)** Not determined **Flammability Limits (% vol)** Not determined**pH** 4.5 - 5.5 **Solubility in Water (g/L)** Not determined**Other Properties**

Viscosity = 30000 - 50000 cps

SECTION 10: Stability and Reactivity**Stability** Product is stable under normal conditions.**Reactivity [Incompatible Materials, Conditions to Avoid : Hazardous Decomposition Products]**

Avoid heat, sparks, flame and build up of static electricity. Avoid strong oxidising agents and reducing agents. Avoid strong acids and bases.

Silicon dioxide, Formaldehyde and oxides of Carbon and Nitrogen may form during combustion.

SAFETY DATA SHEET

Product Name Style Stories Twisted Curls

SECTION 11: Toxicological Information

Oral Toxicity LD 50 not determined. No information available on chronic effects.

Skin Irritation Contact with skin may result in slight irritation.

Toxicity Inhalation No effects expected under normal conditions of use.

Eye Irritation May be an eye irritant.

Other Toxicity Information No information available on chronic effects.

SECTION 12: Ecological Information

Eco Toxicity No information available.

Persistence and Degradability No information available.

Bioaccumulation No information available.

Soil Mobility No information available.

Other Adverse Effects No information available. Avoid contaminating waterways.

SECTION 13: Disposal Considerations

Dispose of containers/contents in accordance with local regulations.

Environmental Hazards

No information available. Avoid contaminating waterways.

Special Precautions for User

Avoid release into the environment.

Additional Information

Product is non flammable.

The raw material Polyquaternium-37 is classed as an environmentally hazardous substance.

SECTION 15: Regulatory information**Poisons Schedule:** unscheduled**SECTION 16: Any other Relevant information**

This document has been prepared according to Code of Practice for Preparation of Safety Data Sheets (February 2016.)
