About Us

Resen & euho Jewelry is an international fashion jewelry wholesale brand with over 20 years of experience in the industry. We specialize in boho style jewelry design, manufacture, and international wholesale.

John, our co-founder and production manager. He is an experienced fashion jewelry manufacturer who has been a reliable supplier for QVC since 2005. He expertly handles all types of materials, including semi-precious stones, freshwater pearls, resin, fabric, leather, brass, and more. John's impeccable attention to detail and exceptional production ability not only impresses the buyers but also earns him a good reputation in China's jewelry industry with his excellent credit.

At Resen & euho Jewelry, we understand the importance of offering reliable and trustworthy services to our international clientele. Our commitment to quality assurance is evident in every aspect of our business, from the products we design and produce to the after-sales services we offer.

We would be delighted to have you explore our products at the Jewelry fair in Hong Kong, and also invite you to visit our showroom at our Yiwu office.

Eujin, our co-founder and chief designer, whose jewelry has been featured on major platforms like Anthropologie, Free People, Macy's, Loft, Marciano by Guess and many other mainstream brands. Her designs also showcased on the NBC Today Show and have been sold on QVC in both the US and UK. She also had the chance of designing and handling Taylor Swift's accessory line. With her eye for detail and passion for innovation, she continues to create pieces that captivate and inspire.

Contact us today to learn more about our products and services, We can't wait to work with you.

Member of amfori, the leading global business association for open and sustainable trade. We participate in amfori BSCI. For more information visit www.amfori.org
