

Premium Phantom Cables 3.5mm Male to 2x RCA Female Audio Cable

35MM-RCAF-xx - Specifications

Description

This premium stereo audio cable has a 3.5mm male on one end and two RCA females on the other. It is typically used to connect 3.5mm audio devices such as PCs and stereo systems to dual channel RCA audio inputs.

- 22 gauge, heavy duty cable is used to capture all highs & lows for optimum audio performance
- Constructed of "Siamese" cable for easy installation of left and right audio
- Constructed of low-loss, stranded 22 gauge OFHC (Oxygen Free Copper) with a foam polyethylene insulation around center conductors
- 95% braided copper shield surrounds dielectric for maximum EMI/RFI noise rejection therefore maintaining the cleanest signal possible
- Multi-stranded copper center conductors allows for extra flexible cables
- High quality, 24K gold plated shielded connectors allows for optimum connectivity and maintains a clean signal integrity
- FT4 riser fire rated jacket for in-wall use
- Lead Free, "silver laced" solder is used in order to reduce loss and maximize conductivity

Physical Characteristics

Color	Black
Connector Plating	Gold
Cable Diameter	5.00mm x 10.00mm
Wire Gauge	22AWG
Fire Rating	FT4 (Riser CMR)
Connector Plating	Nickel
Cable Shielding	95% Bare Copper Braid
Strain Relief	Metal Shell

Connectors

Connector A	3.5mm Stereo Male
Connector B	RCA Female - White
Connector C	RCA Female - Red

Warranty Information

Warranty	Limited Lifetime
