

# 1000ft RG11 14AWG CCS 60% Braid Bulk Cable CMP - White BK-CXRG11-6 - Specifications

## Description

This bulk plenum RG11 cable is 1000 feet in length and consists of a 14AWG solid center conductor. It is ideal for long run CATV video applications.

## Physical Characteristics

Color	White
Length	1000 foot [305m]
Cable Diameter	8.90mm
Wire Gauge	14AWG
Conductor Material	Copper Covered Steel
Insulation	7.11mm Foamed PE
Jacket Material	PVC - Polyvinyl Chloride

Jacket Rating	CMP/FT6 [Plenum Rated]
Cable Shielding	96% Braid + 100% Bonded Aluminum Foil
Temperature Rating	-20°C to +75°C

## Electrical Characteristics

Impedance	75±3Ω
Capacitance	52.5±3pF/m
Return Loss	20dB Min

## Environmental

RoHS	Yes
------	-----

## Approval

c(UL)	Yes
-------	-----

## Packaging Information

Package Quantity	1
Product Weight	72 lbs
