

1000ft RG11 14AWG CCS 60% Braid Bulk Cable CMR/FT4 - Black

BK-CXRG11 - Specifications

Description

This bulk RG11 cable is 1000 feet in length and consists of a 14AWG solid center conductor. It is ideal for long run CATV video applications.

Physical Characteristics

Cable Length	1000 foot [305m]
Color	Black
Cable Diameter	10.16mm
Wire Gauge	14AWG
Conductor Material	1/1.63mm Copper Clad Steel
Jacket Material	PVC - Polyvinyl Chloride
Jacket Rating	CMR/FT4 [Riser Rated]
Cable Shielding	60%Braid + 100% Bonded Aluminum Foil
Insulation	7.11mm Foamed Polyethylene
Operating temperature	-20~ 75°C

Performance

Impedance	75 Ohm
Max. Attenuation	1GHz
Capacitance	54±3pF/m
Return Loss	20dB Min

Approvals

c(ETL)us	Yes
----------	-----

Environmental

RoHS	Yes
------	-----

Packaging Information

Package Quantity	1
Product Weight	60 lbs
