

# 1000ft RG59 BC 20AWG Bulk Cable, 95% BC Braid CMP - White

## BK-CXRG59-6 - Specifications

### Description

This plenum rated bulk RG59 cable is 1000 feet in length and consists of a 20AWG solid center conductor. It is ideal for CCTV security camera plenum applications.

### Physical Characteristics

Color	White
Length	1000 foot [305m]
Cable Diameter	5.0mm
Wire Gauge	20AWG
Conductor Material	100% Bare Copper
Insulation	3.40mm Foamed PE
Jacket Material	PVC - Polyvinyl Chloride

Jacket Rating	CMP/FT6 [Plenum Rated]
Cable Shielding	95% Bare Copper Braid
Temperature Rating	-20 ~ +75 deg C

### Electrical Characteristics

Impedance	75±3Ω
Capacitance	52.5±3pF/m
Return Loss	20dB Min

### Environmental

RoHS	Yes
------	-----

### Approval

c(UL)	Yes
CSA	Yes

### Packaging Information

Package Quantity	1
Product Weight	22.52 lbs

# 1000ft RG59 BC 20AWG Bulk Cable, 95% BC Braid CMP - White

## BK-CXRG59-6 - Specifications
