

11000ft RG6 18AWG CCS bulk cable 60% braid CMP - White

BK-CXRG6-6 - Specifications

Description

This bulk plenum RG6 cable is 1000 feet in length and consists of a 18AWG solid center conductor. It is ideal for plenum CATV video applications.

Physical Characteristics

Color	White
Length	1000 foot [305m]
Cable Diameter	6.0mm
Wire Gauge	18AWG
Conductor Material	Copper Clad Steel
Insulation	4.32mm Foamed PE
Jacket Material	PVC - Polyvinyl Chloride

Jacket Rating	CMP/FT6 [Plenum Rated]
Cable Shielding	60% Braid + 100% Aluminum Foil
Temperature Rating	-20 ~ +75 deg C

Electrical Characteristics

Impedance	75±3Ω
Capacitance	52.5±3pF/m
Return Loss	20dB Min

Environmental

RoHS	Yes
------	-----

Approval

c(UL)	Yes
CSA	Yes

Packaging Information

Package Quantity	1
Product Weight	35.07 lbs
