

# OM1 Multimode 62.5 Micron Duplex Zip Cord - 2mm Jacket - OFNR Riser Fiber Bulk Cable (per meter) BK-F2Z-OM1B-R-T - Specifications

## Description

This cable is primarily used in the assembly of duplex fiber patch cords used in server rooms, data centers and other point to point indoor applications.

## Physical Characteristics

Color	Orange
Fiber Optic Type	Multimode 62.5/125 micron OM1 duplex
Fiber Core Diameter	62.5 micron $\pm$ 2.0 micron
Nominal Diameter	1.95mm x 4.1mm
Tension	9 lbs
Bending Radius	7.5mm
Operating Temperature	-20°C ~ +70°C
Storage Temperature	-40°C ~ +70°C
Wavelength	850/1300nm
Attenuation (Max)	3.5dB/km @850nm 1.5dB/km @1300nm
Bandwidth	220 MHz/km @850nm
Link Length	300m (1Gb/s@850nm)
Fire Rating	OFNR Riser

## Certification(s)

UL, c(UL) Yes

## Product Support

RoHS, REACH Yes  
Country of Origin USA

## Packaging Information

Package Quantity 1  
Product Weight 0.03 lbs [0.01 kg]
