

# Singlemode Duplex 9 Micron Fiber Zip Cord 3mm Jacket LSZH/OFNR - Yellow (per meter)

BK-F2Z-SMC-LR - Specifications

## Description

This cable is primarily used in the assembly of duplex fiber patch cords used in server rooms, data centers and other point to point indoor applications.

## Physical Characteristics

Color	Yellow
Fiber Optic Type	Zipcord Singlemode 9/125µm
Fiber Core Diameter	8.2 micron
Attenuation Range	@1310nm 0.4dB/km @1550nm 0.2dB/km
Maximum Tensile Load	Short Term, N 500 Long Term, N 300
Minimum Bending Radius	Load 45mm Unload 30mm

Fiber Count	2C
Tight Buffer Diameter	0.9 micron ±0.05
Cable Diameter	3mm
Fire Rating	LSZH / OFNR
Uniformly Distributed	Kevlar
Operating Temperature	-40~+75 deg C

## Environmental

RoHS	Yes
------	-----

## Packaging Information

Product Weight	0.03 lbs [0.01 kg]
