

N-Type Female Crimp Connector for RG174 (LMR-100) 50 Ohm

CN-01-100 - Specifications

Description

This N-Type female crimp connector is meant to be terminated on RG174 (LMR-100) bulk cable.

Physical Characteristics

Connector	N-Type
Gender	Female
Cable Type	RG174 (LMR-100)
Connector Plating	Nickel
Contact Plating	Gold
Attachment Method	Crimp Sleeve, Crimp or Solder Pin

Performance

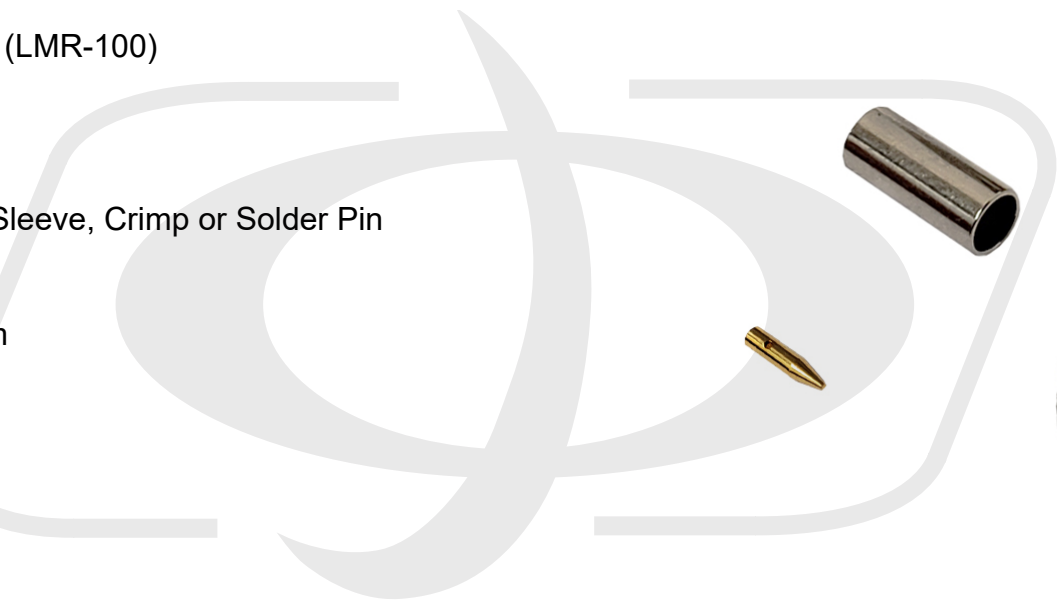

Impedance	50 Ohm
-----------	--------

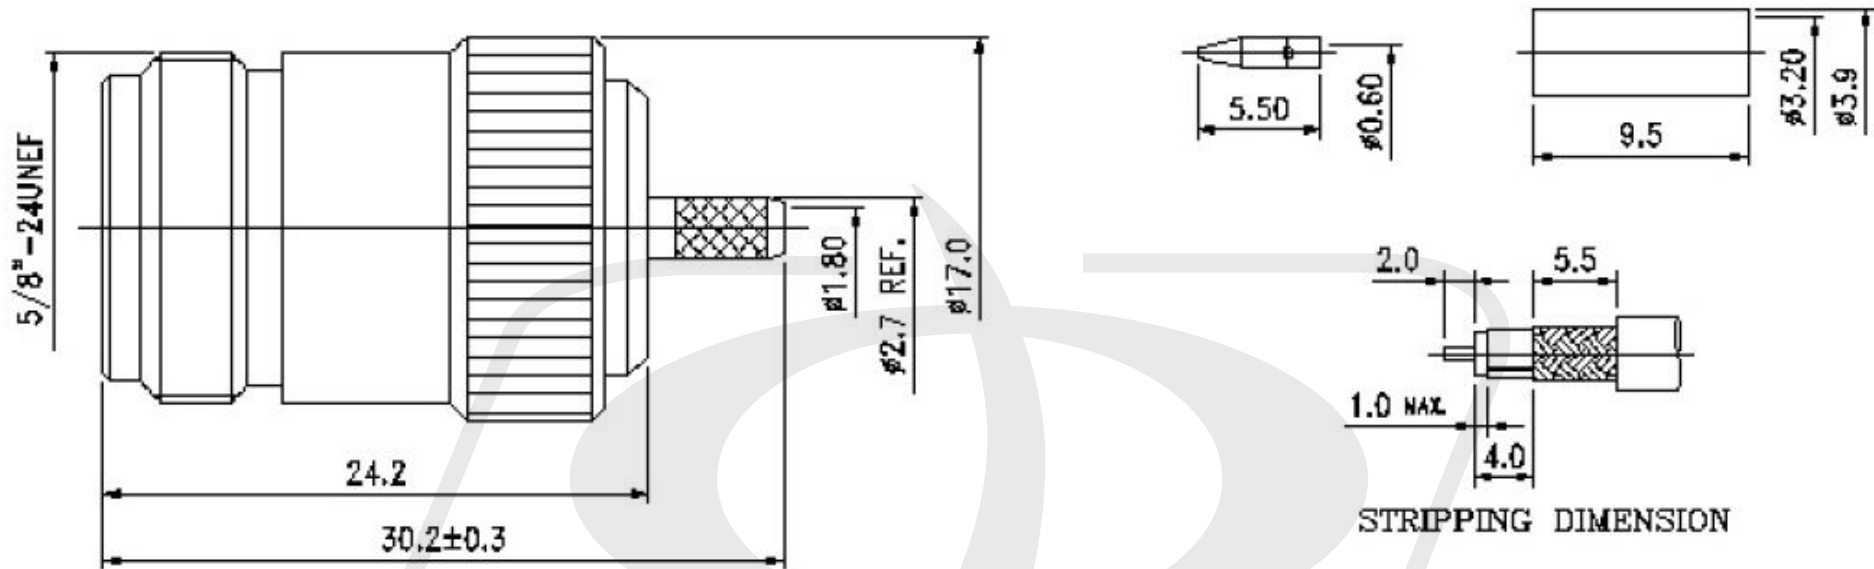

Product Support

RoHS	Yes
Country of Origin	Taiwan

Packaging Information

Package Quantity	1
Product Weight	0.02 lbs [0.01kg]

Tolerance

x.	±0.2
xx.	±0.1
xxx.	±0.05
Angle	±0.5°
