

# SMA Male Crimp Connector for RG174 (LMR-100) 50 Ohm

CN-10-100 - Specifications

**Description**

This SMA male crimp connector is meant to be terminated on RG174 (LMR-100) bulk cable.

**Physical Characteristics**

Connector	SMA
Gender	Male
Cable Type	RG174 (LMR-100)
Connector Plating	Nickel
Contact Plating	Gold
Attachment Method	Crimp Sleeve, Solder Pin

**Performance**

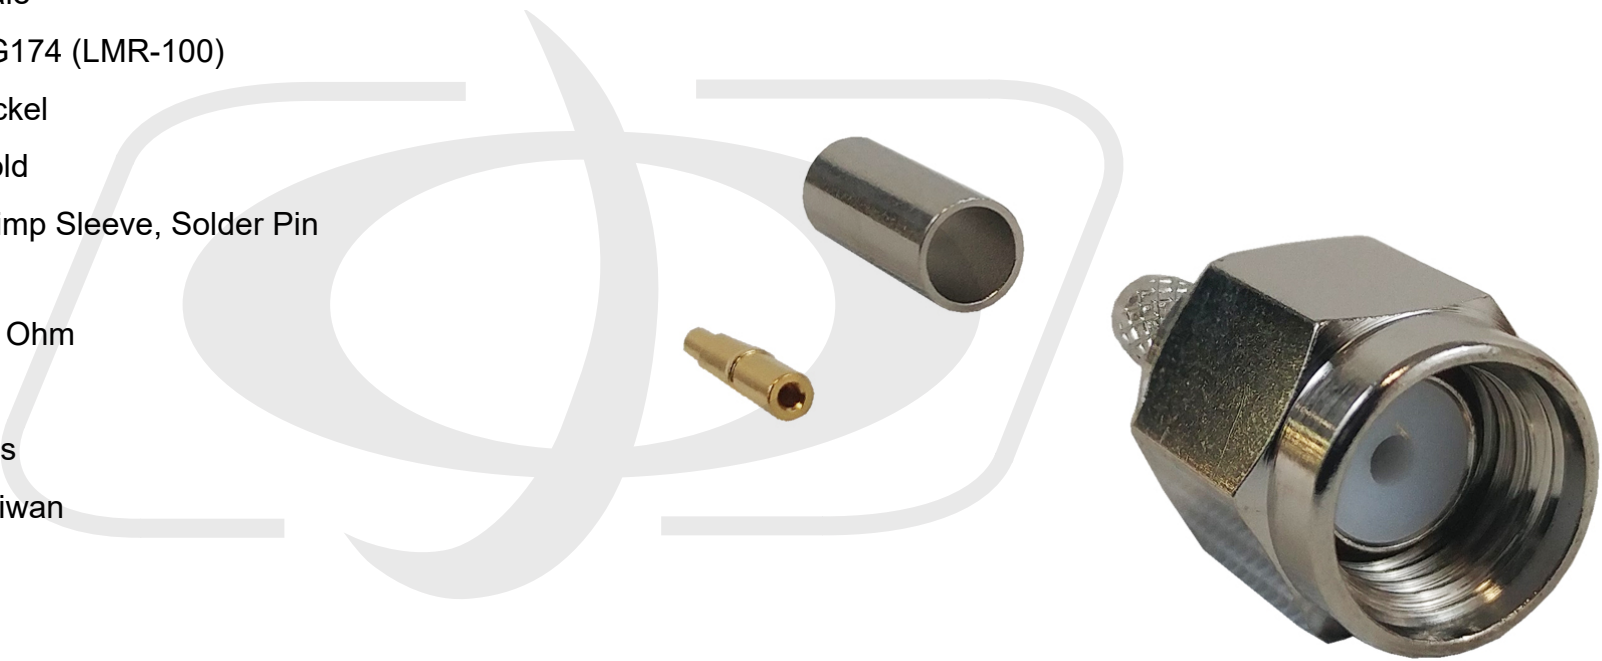

Impedance	50 Ohm
-----------	--------

**Product Support**

RoHS	Yes
Country of Origin	Taiwan

**Packaging Information**

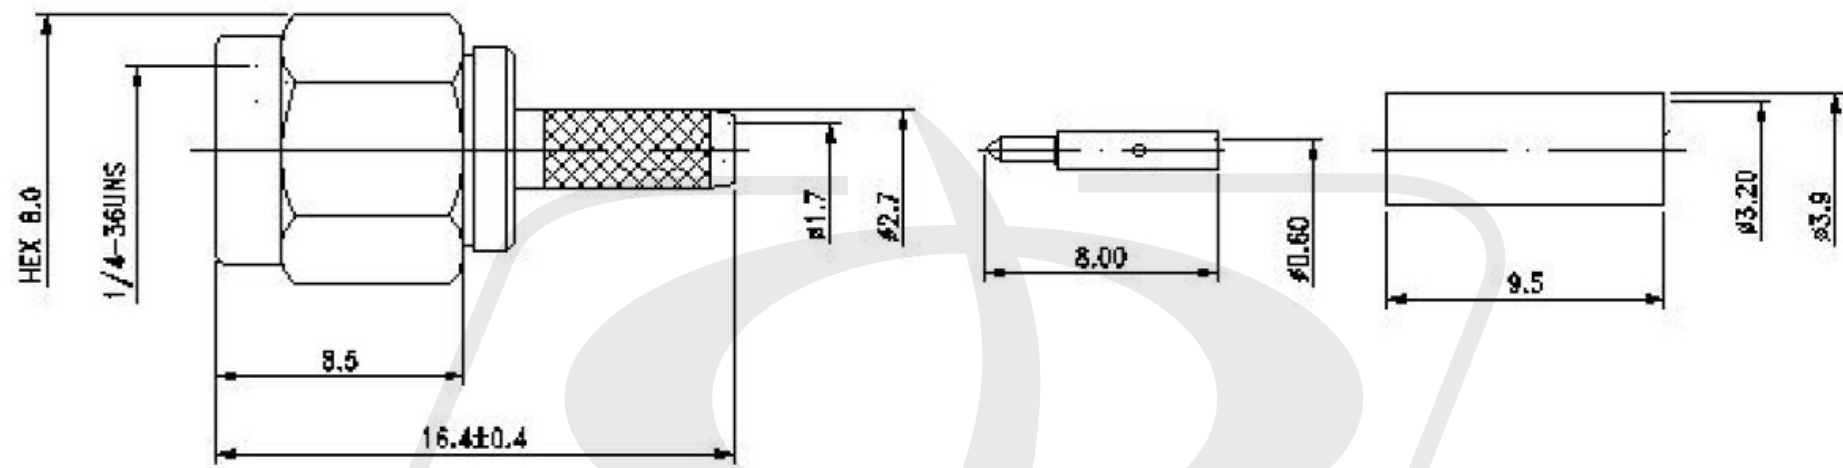

Package Quantity	1
Product Weight	0.03 lbs [0.01kg]

# SMA Male Crimp Connector for RG174 (LMR-100) 50 Ohm
