

# SMA Reverse Polarity Male Crimp Connector for LMR-240 50 Ohm

CN-12-240 - Specifications

**Description**

This SMA male reverse polarity crimp connector is meant to be terminated on LMR-240 bulk cable.

**Physical Characteristics**

Connector	SMA
Gender	Male
Polarity	Reverse
Cable Type	LMR-240
Connector Plating	Nickel
Contact Plating	Gold
Attachment Method	Crimp Sleeve, Crimp or Solder Pin

**Performance**

Impedance	50 Ohm
-----------	--------

**Product Support**

RoHS	Yes
Country of Origin	Taiwan

**Packaging Information**

Package Quantity	1
Product Weight	0.03 lbs [0.01 kg]
