

Description

This SMA female reverse polarity bulkhead crimp connector is meant to be terminated on RG174 (LMR-100) bulk cable.

Physical Characteristics

Connector	SMA
Gender	Female
Polarity	Reverse
Body Style	Bulkhead
Cable Type	RG174 (LMR-100)
Connector Plating	Nickel
Contact Plating	Gold
Attachment Method	Crimp Sleeve, Solder Pin

Performance

Impedance	50 Ohm
-----------	--------

Product Support

RoHS	Yes
Country of Origin	Taiwan

Packaging Information

Package Quantity	1
Product Weight	0.02 lbs [0.01kg]

SMA Reverse Polarity Female Bulkhead Crimp Connector for RG174 (LMR-100) 50 Ohm
