

BNC Male Crimp Connector for RG6 Cable - 6GHz Max

CN-30-RG6-6G - Specifications

Description

This BNC male crimp connector is meant to be terminated on RG6 SDI bulk cable.

Physical Characteristics

Connector	BNC
Gender	Male
Cable Type	RG6 SDI Cable
Connector Plating	Nickel
Contact Plating	Gold
Attachment Method	Crimp Sleeve, Crimp or Solder Pin
Hex Crimp Size	Center Pin : 0.042inch Ferrule : 0.278inch

Performance

Frequency Max	6GHz
Impedance	75 Ohm

Product Support

RoHS	Yes
Country of Origin	Taiwan

Packaging Information

Package Quantity	1
Product Weight	0.02 lbs [0.01 kg]
