

RJ45 Cat6 Pass-Through Plug (Solid or Stranded) (8P 8C) - Pack of 50

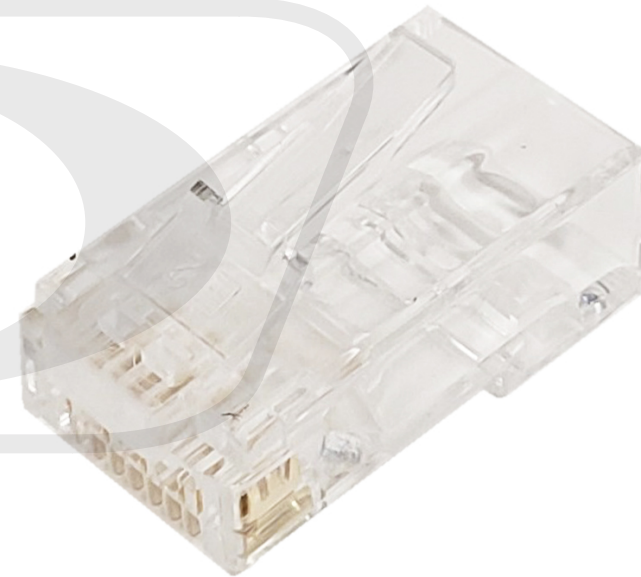

CN-RJ45C6PT-50 - Specifications

Description

This modular RJ45 staggered Cat6 connector is a pass through style, 8 position, 8 conductor plug. It's typically terminated on 4 pair solid or stranded round Cat6 cables. It's pass through style design makes the wire insertion process simple and quick.

Physical Characteristics

Color	Transparent
Housing Material	Polycarbonate UL 94V-2
Contact Material	Bronze
Contact Plating	50 micron Gold Plating
Contact Type	3 prong
Cable Type	Round, UTP
Number of Contacts	8
Number of Positions	8
Connector	RJ45 Male (8P8C)
Performance Rating	Cat6
Conductor Type	Solid or Stranded Cable
Conductor Opening Diameter	1.2mm
Wire Gauge Accepted	23AWG to 26AWG (With a Conductor Insulation < 1.2mm)

Environmental

RoHS	Yes
------	-----

Packaging Information

Package Quantity	50
Product Weight	0.16 lbs [0.07 kg]

Contents

Included in Package	1 - Pack of 50 Connectors
