

RJ45 Cat7 Shielded Plug with Lacing Bar Insert and External Strain Relief  
(Solid or Stranded) (8P 8C) - Pack of 50

CN-RJ45C7S2-50 - Specifications

Description

This modular RJ45 Cat7 connector is a 8 position,8 conductor plug. It's typically terminated on 4 pair solid or stranded round cable and has an external crimp strain relief. Designed to meet CAT7performance standards, it can also be used on CAT6A cable.

Physical Characteristics

RJ45 Cat7 (8P8C)      Male, 23 - 24 AWG Round Solid or Stranded Cable

Compatibility

Compatible Boot      CN-BT7-BK  
Compatible Tool      TLH-140  
Compatible Tape      CN-FOIL-TAPE

Environmental

RoHS      Yes

Packaging Information

Package Quantity      1 Pack of 50 Connectors  
Product Weight      0.15 lbs
