

XLR Male Solder Connector Nickel, Gold Plated

CN-XLRM - Specifications

Description

This is a XLR male solder connector. It is meant to be terminated onto audio cable.

Physical Characteristics

Color	Nickel/Black
Pin Plating	Gold
Jack	Bronze
Button spring ground strap	Stainless steel
Shell	Zinc Alloy
Button	Zinc Alloy
Sealing Ring	Rubber
Cable	PA (Polyamide)
Screw Barrel	PA (Polyamide)
Stopper	PP (Polypropylene)
Tail Sleeve	PVC
Connection Type	Welding
Cable Sheath Diameter	≤Φ7.5
Inner Core Structure	2.5mm ²
Locking Structure	Play type
Wire Gauge	14AWG
Insertion and Extraction Force	≤20N
Life Time	1000

Performance

Current	16A
Voltage	50V
Withstand Voltage	1.5KV
Contact Resistance	<5mΩ
Insulated Resistance	1000MΩ

Hook type

Connector(s)

Connector XLR Male Solder

Packaging Information

Package Quantity 1
Product Weight 0.25 lbs [0.11 kg]

Contents

Included in Package 1 - Connector
