

Cletop Standard Series Type A Blue Tape Fiber Cleaner

FO-CLETOP-A - Specifications

Description

This fiber optic connector cleaner provides thorough cleaning by using a dry, alcohol-free cloth. It is typically used on the production line or in the field to clean fiber optic connectors. It has excellent anti-static properties to avoid reattachment of dust to the ferrule after cleaning. It's palm-sized, lightweight and the cleaning tape is replaceable.

Physical Characteristics

Cleans per Cartridge more than 400 times
Applicable Connectors SC, FC, ST, D4

Manufacturing Information

NTT AT Part Number 14100500
AFL Part Number 8500-10-0027MZ
