

12-Fiber Fan-out Kit - Multi-Coloured 40 inch 900um Tubing for 250um Fiber

FO-FANOUT12-40 - Specifications

Description

This fiber optic fan-out kit is designed to terminate 12-fiber loose-tube cables. It can be used on 250um fiber cable and furcates it to 900um. Epoxy is not required since the fan-out assembly snaps together.
