

Sticklers® 1.25mm Ferrule Mini 400 Clicker (for LC - MU - UPC/ APC) - 400 cleans

FO-MCC-CCM125 - Specifications

Description

This Sticklers® fiber optic mini cleaner provides thorough cleaning by using a specially designed microfiber cloth. It is used to clean LC and MU connectors, on jumpers or in adapters, with UPC or APC polishes. These rugged, precision cleaners use a smooth click-to-clean push-action with light tip forces to reduce the risk of end-face damage. With over 400 cleans, the Sticklers Mini Clicker is perfect for cleaning any size network, any installation; from single to thousands of connectors.

Features:

- 104mm (4") compact size for cleaning in confined spaces
- Click-to-clean dust, particulate and oil contamination
