

Sticklers® MPO/MTP CleanClicker - 600 cleans

FO-MCC-CCMPO - Specifications

Description

This Sticklers® fiber optic MPO CleanClicker provides thorough cleaning by using a specially designed click to clean push engagement. It is used to clean both MPO/MTP plugs and receptacles by using the port adapter which is built into the cap. The easy view pay off spool is designed for monitoring remaining cleaning capacity. Works with flat and 8°C slant and is compatible on connectors with or without guide pins.
