

# Sticklers® Outdoor Cleanwipes - 50 packets per bag

## FO-MCC-FA1 - Specifications

**Description**

Sticklers® CleanWipes fiber optic cleaning wipes are high quality optical grade wipes engineered for cleaning fiber prior to splicing, or for cleaning fiber optic jumpers and connector plugs. These wipes are specifically engineered for fast, reliable cleaning in harsh environments. They have been designed to stay clean and dry until the package is opened, which is ideal for convenient and consistent cleaning of fiber networks anywhere, any time: even in rain, snow, dust and winds. For improved wet-dry cleaning, use the Sticklers Fiber Optic Splice & Connector Cleaner fluid (FO-MCC-POC03M) for perfect cleaning results.

**Physical Characteristics**
