

Multi-Task Surface Cleaner - MultiClean Pump Spray - 12 oz Bottle

FO-MCC-MLC16 - Specifications

Description

Multi-Task surface electronic cleaner spray provides fast and safe cleaning for a variety of surfaces in almost any production environment. It removes solder paste, flux residues, fingerprints, uncured epoxy residues, light oils and grease as well as organic and ionic residue, light oils and other contaminants commonly found in the manufacture of electronics and medical devices. It can be used to clean medical devices, electronics, stencils, work benches, tools, production machinery, and any surface that requires hygienic grade cleaning.

Features

- Purified D.I. water slows the cleaner's evaporation rate for more effective cleaning
- 70% High Purity IPA (Isopropyl Alcohol) and 30% D.I. (Deionized) water
- No mixing required, supplied in a convenient 12 oz bottle
- Refillable bottle helps reduce landfill
- Multi-Task Surface Electronic Cleaner Spray leaves no residue
- ESD-safe
- Excellent materials compatibility so it is safe to use on most common surfaces
- Ideal for use with General Purpose Wipes or Stencil Wipes.

Physical Characteristics

Size	12 oz
Appearance	Colorless, Clear Liquid
Odor	Slight alcohol
Boiling Point	82°C / 180°C
Chemical Family	Water & Alcohol
Evaporation Rate	Slow
Cleaning Strength (kb)	25
Active Ingredients	Reagent-grade alcohol
Flashpoint	12°C / 53°C
Vapor Pressure @	20°C 5.2
Specific Gravity	0.87 g/mL

Certifications

REACH & ELINCS	Yes
RoHS and WEEE	Yes

Manufacturing Information

MicroCare Part Number MCC-MLC16

Packaging Information

Package Quantity	1 - 12 oz Bottle with Pump Sprayer
Product Weight	0.75 lbs [0.34kg]
