

Hammond 12U Heavy Duty Wall Mount Swing-Out Cabinet 23.5 inch Usable Depth, Vented Door

WM2412U20BK - Specifications

Description

This 12U, heavy duty wall mount swing-out cabinet comes with a lockable vented front door. The swing-out feature allows for easy access during installation and maintenance. It is typically used for housing networking equipment. The vented door and side panels are specifically designed for high capacity servers, switches and power management devices.

Features:

- Center section has a heavy duty spring-hinge pin for easy installation and removal.
- Sides feature two vents and a fan grilles.
- The rear section has a 2.5 and 2 inch knockout on either side.
- The top and bottom of the rear section includes 3, 2, 1.38 and 1.12 inch knockouts.
- Cable management lances are located on the rear section as well as on the mounting rails.
- Mounting points for an outlet strip are located in the rear section of the cabinet.
- Heavy duty mounting keyholes for wall mounting.
- Large opening in the rear of the cabinet for cable access.
- Grounded lugs located on top and bottom of door, center and rear sections.
- UL Listed 2416 for up to 350 lbs (159 kg) static load rating.
- EIA compliant adjustable depth mounting rails.
- 14-gauge welded rear section; 16-gauge center section and doors.
