

19 Inch Adjustable Rack Mount Monitor Mount - 4U - VESA 75x75, 100x100

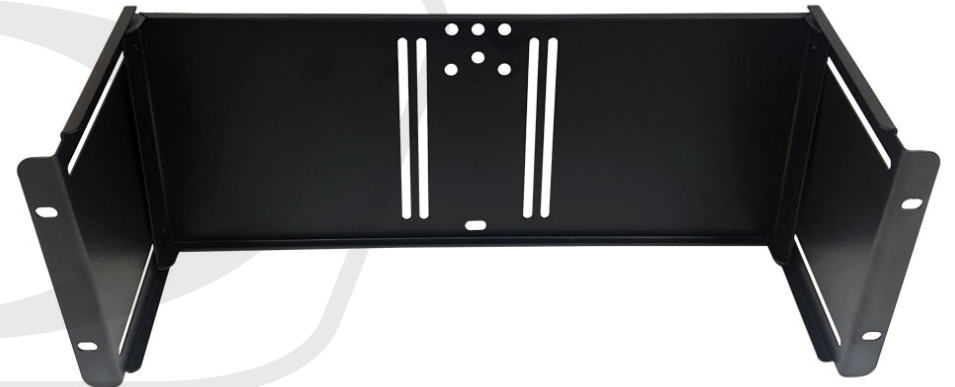

RM-395-4U - Specifications

Description

This monitor mount is 4U in height and mounts on any standard 19" rack or cabinet. It is typically used to mount a 17 to 19 inch monitor within a cabinet or rack. It has versatile mounting options and can be mounted in front or behind the cabinet or racks mounting rails. The mount also works in conjunction with some of our swivel and tilt mounting brackets so that the monitor can be positioned properly for a better viewing angle.
