

USB 3.1 Type-C Straight Male to Type-C Right/Left Angle Male Cable - Black

USB-370-xx - Specifications

Description

This USB 3.1 cable consists of a USB straight Type-C male on one end and a USB right angle or left angle Type-C male on the other end. It is capable of transferring data at 10Gbps maximum and 5Gbps minimum and is typically used to connect USB 3.1 peripherals as well as charge and sync USB Type-C mobile devices. USB 3.1 is backwards compatible with previous generation USB devices and is also compatible with Thunderbolt™ 3 ports.
