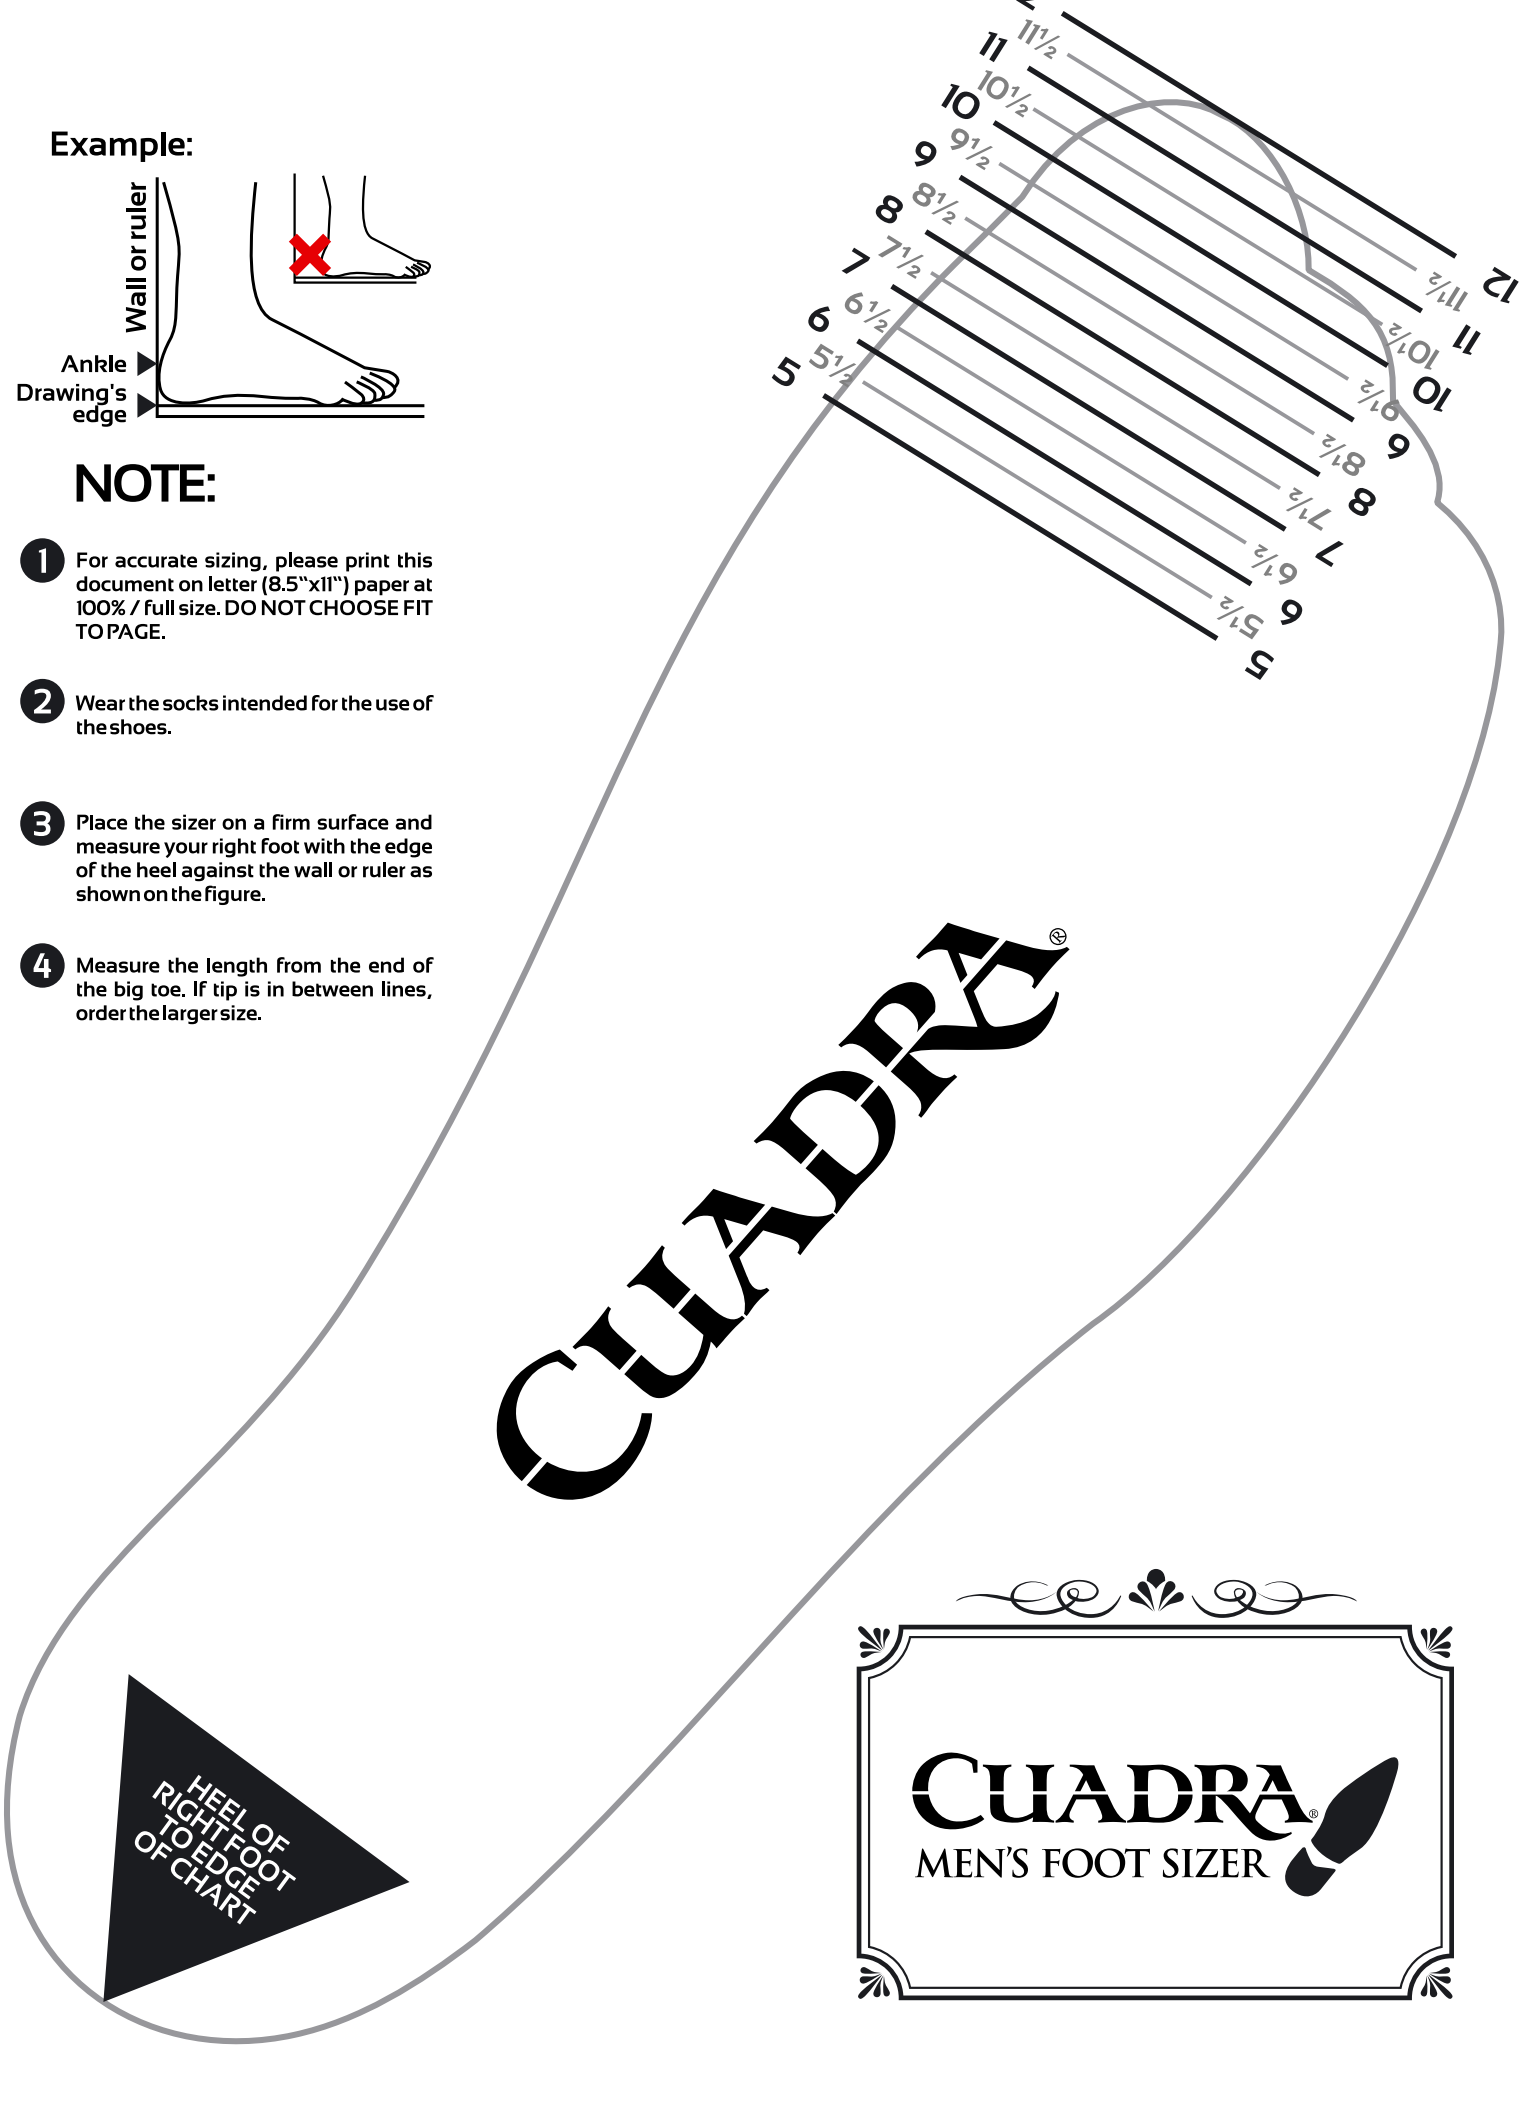
Example:

NOTE:


1. For accurate sizing, please print this document on letter (8.5"x11") paper at 100% / full size. DO NOT CHOOSE FIT TO PAGE.
2. Wear the socks intended for the use of the shoes.
3. Place the sizer on a firm surface and measure your right foot with the edge of the heel against the wall or ruler as shown on the figure.
4. Measure the length from the end of the big toe. If tip is in between lines, order the larger size.
