Made in the U.S.A. with
domestic and imported raw materials

Product Features

Formulated for wide exposure latitude

High (38%) solids content

Blue color

Special wetting agents

Benefits

**Reliable performance in less than ideal shop conditions
Easy to reclaim even if underexposed and used with aggressive solvents**

**Fast drying
Good buildup (EOM) per coat
Sharp Printing Shoulders**

**Good see-through registration
Easy inspection on white and dyed mesh**

**Excellent coatability
Forgiving of poor fabric preparation**

Formats

PROCLAIM is available in 28 ounces, and 1-, 5-, and 50-gallon units (0.83, 3.785, 18.925, and 189.175 liter units respectively). Premeasured bottles of powdered diazo sensitizer are supplied with each unit of emulsion. 50-gallon drums are usually supplied with 50 X 1-gallon sized bottles of diazo, but 28-ounce- and 1-liter-sized bottles are available on request.
