

UVDTF-24

Toyoda Falcon UV DTF Printer

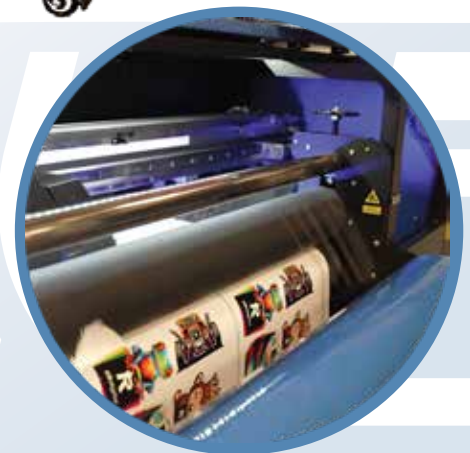

White Ink Automatic Circulation

Minimize clogs within the four Epson I1600 print heads and greatly extend print head lifetime.

Flexi RIP Software

The printer comes equipped with Flexi RIP software which integrates image resizing, RIP functions and printing operations all together.

Two Adjustable UV Lamps for Fast Curing

Adapt to different printing speeds and printing materials.

ADDITIONAL FEATURES

Superior Printing Experience

The machine is designed with openable left and right side doors, allowing you to check and do maintenance more conveniently.

Versatility

UV inks work on various surfaces including PET and polyurethane, unlike traditional inks which require absorption into substrates for printing.

Colour that Lasts

Enhance prints with long-lasting RB Vibra UV DTF ink. Pigments won't evaporate like solvents, ensuring vibrant images for years to come. Choose RB Vibra for exceptional, durable printing results.

No Sticky Glue Residues

No residue is left when you peel off the protective film on the A film.

Durability

UV inks provide higher durability and increased resistance to scratches, smudging, and other factors that can affect print quality over time, resulting in longer-lasting and vibrant images.

More Rigid Glue Surface

Doesn't come off when you touch the A film.

SPECIFICATIONS

Model Number	UVDTF-24
Printable Width	24"
Print head	I1600 - 4 Heads
Resolution	2880DPI
Speed	8 Pass: 7m ² /h, 10 Pass: 6m ² /h, 12 Pass: 5m ² /h
Colour	CMYK + W + Varnish + Glue
Print Width	60cm
Ink	RB Vibra UV DTF Ink
Ink Capacity	1.5L
Operating Environment	25°C - 30°C temperature and 50-75% humidity
Power	50HZ / 60HZ / 220V, Power 700W, 3.5A
Connection	Requires an Ethernet port on connected computer. If you don't have one you will need a USB to Ethernet adapter
Image Format	TIFF, JPG, Bitmap, EPS, PDF, PNG
Ink Road System	Negative pressure ink bag + white ink mixing operation
Machine Size	67" x 40" x 54" (L x W x H)
Packing Size	84" x 43" x 60" (L x W x H)
Doorway Clearance	Fits through 36" door frame
Weight	Net Weight: 496 lbs, Gross Weight: 650
