Hello Weekend was started with a vision to
create versatile products to suit all Aussie
lifestyles and don't add to the global plastic
pollution problem.

Weekend adventures never looked so good.
Say goodbye to unnecessary waste and hello
to an eco-conscious impact!

Reuse our bags and reduce single-use plastic
trash headed for landfill and our oceans.

WHOLESALE

We love our Wholesale clients. Each product packaging has been considered with merchandising in mind. Every Hello Weekend bag comes with a paper cardboard wrap. The wrap shows that the bag is made from recycled plastic bottles, Australian owned & designed as well as its dimensions. Product straps can be used for hanging and on the smaller foldable shopper bag the wrap includes a purpose made hole to hang from the top. We encourage you to have unwrapped bags available to showcase.

Hello
Weekend

Three overlapping semi-circles are positioned above the word 'Hello'. The leftmost semi-circle is orange, the middle one is pink, and the rightmost one is blue. They overlap such that the orange one is on the left, the pink one is in the middle, and the blue one is on the right, with the pink one overlapping both the orange and blue ones.
