

VINYL DECAL INSTALLATION INSTRUCTIONS

- We are designing and creating decals that can be used for signs, instructions, logos, emblems, mantras, wall art, mirror affirmations, home décor, etc. You name it; we'll create it!
 Any silhouette style image can be converted into a decal.
- Send us your .jpg, .bmp, tiff, gif, or just plain text.
 We can convert any font and any common image file into a sticker for your personalized application.
- We can even invert the file for interior applications through a transparent surface.
- Use it on your decorated home walls, shop walls, doors, lockers, vehicle bumper - or anywhere on your vehicle, mirrors, mailbox, windows, etc. Be creative!
- Express yourself in a unique way!
 Proudly display your ideology, accomplishments, political affiliations, music style, sports teams, name, state, high school letters, ANYTHING!!!!
- You send it; we'll make it a sticker!!
- Decals are applied via peel away tack paper (included).

INSTALLATION INSTRUCTIONS The toughest part is aligning it correctly.

What you'll need: Clean work area, free of airborne dust Vehicle and Trim temp above 65F Soft Clean Cloths SECOND STEPS:

 Apply to clean surface with provided tack film that peels back, leaving the decal affixed to your preferred surface.
