

# GREEN MANIFESTO

We're in business to protect, both screens and the planet, so we take responsibility for the entire life cycle of our screen protectors.

## Voluntary recycling

We are transforming the business of screen protectors by introducing voluntary recycling at selected stores worldwide, consumers can turn in their old and broken screen protectors.

07

## Servers powered by nature

All servers are placed at a Microsoft datacenter in Holland powered by solar energy and wind power.

06

## Conserve resources

Where feasible, we conserve resources, buy refurbished computers and reuse all hardware.

05

## Finding sustainable solutions

As a global business operating worldwide, PanzerGlass has a responsibility to find sustainable solutions in everything we do.

01

## Prolong the lives of devices

Every screen protector made should be made with a commitment to prolong the lives of devices.

02

## Reduce single-use plastic in our packaging

We are committed to reduce single-use plastic in our packaging.

03

## Logistic optimizations

We are further committed to pursue logistic optimizations to reduce our environmental footprint.

04

We inspire action to recycle your screen protector / PanzerGlass collecting boxes

Drop off your old screen protector. Any brand, any condition at our PanzerGlass collecting boxes in stores around the world. Ask for the PanzerGlass collecting box located next to the cash desk. You'll get rewarded with a voucher for your next PanzerGlass.
