

MISSION

Our mission is to maximize the Federal Government's resources by offering the highest quality medical, safety and Laboratory supplies at the lowest price to government agencies and vendors. We have over 9 years' experience working with various government agencies including Ohio Department of Health, local municipalities and companies throughout the State and neighboring states.

CORE COMPETENCIES

- We Offer Various Payment Options P-Cards, major credit cards, and government facilities have the capability to open a pre-approved credit account where payments can be made net 10, net 30, or contact us to arrange pre-negotiated terms and conditions.
- Quality, Selection and Service. We make procuring medical supplies easy with a secured user-friendly checkout system and a focus on providing cost effective solutions to meet or exceed the needs of our government and commercial clients.
- We Know Medical, Laboratory and Safety Products. At ABD Medical, LLC we understand our clients have specific needs and are continuously focused on maximizing their time and resources. Let our team help you with your immediate needs. We are here to answer any questions and effectively guide you with your needs.

PAST PERFORMANCE

The following organizations have been supplied with our products:

- Department of the Navy
- Department of Health Ohio
- Department of Rehab & Corrections
- Department of Mental Health & Addiction
- Ohio Department of Agriculture
- Three Bond, LLC

DIFFERENTIATORS

We have a strong and successful record of establishing professional business relationships and excellent customer service. Our past and current customers will quickly validate our high standards for professional customer service as well as excellent past performance of the services we provide.

- We enjoy working hard for our clients, which results in loyal clients who value our dedication.
- Great prices compared to the majority of our competitors in our industry with higher overhead costs.
- 60% of our inventory is based on customer requests. We listen to the voice of our customers.
- We base our product list on quality, as opposed to margin and potential profit.
