

RAPID CHARGING CABLE WITH MAGNETIC PLUGS

WORKS WITH ANY SMARTPHONE

3 Adapters

Rapid Charging

USB Indicator

Magnetic Adapter

RAPID CHARGING CABLE WITH MAGNETIC PLUGS include the following:

- -Aluminum Alloy Head
 Fabric coated cord
- -Powerful Wire Core

 Built for rapid charging and better conductivity
- -Strong Magnetic Adsorption Shaking does not affect charging
- -Smart Indicator Soft and Non-Glare light indicates when Device is charging
- -Fixed Connector

 Protects wire from breaking
- -Leave in Magnetic Plug

 Built in magnet, strong adsorption, no need to plug everytime
- -Rapid Charging
 Safe charging without getting hot
- -High Speed USB connection
 Fast data transfer
- -Works with any Phone Includes Micro USB, Lightning, and Type C Plug

The ONE Products Rapid Charging Cable is very versatile for most or all current tech. It features a 1.8 meter wire so that it can be reached without problem. With the braided cable and fixed connector, the cable will last longer and will not break easily. The plug has 3 different ends (Micro USB, Lightning, and Type C) to charge any phone or device. It is capable high speed transfers and each plug is magnetic so that all devices plugged in will not lose connection.
