Keep your styling tools organized in one place with the One Personal Collection Hair Styling Station. This is the perfect storage solution for neat, and clutter-free countertops. This organizer has six compartments that are uniquely sized to fit most hair styling tools including hair dryers, hair scissors, curling irons, hand mirrors, brushes, combs and also make-up accessories. The cable compartment keeps cords safely out of the way and the stainless-steel mesh safely cools down your hot styling tools. Alternatively, you can hang it from a towel rack for convenient storage to keep all your favorite tools within reach.
