ONE Home Collection Portable LED Beauty Mirror provides the perfect platform to follow your favorite make-up tutorials or get creative. With 20 adjustable flushed LED lights and with the collapsible hinges, bring the LED mirror anywhere.

ONE Home Collection LED Beauty Mirror has a small slim design (smaller than a binder) to carry around. It can be placed on top of your vanity table in bathroom or studio workshop. Equipped with multifunctional metal hinges, our mirror can be placed on walls or table tops. Our LED Beauty Mirror is perfect for commercial areas such as hair salon, wedding or dressing room.
