

RECHARGEABLE ELECTRIC TOOTHBRUSH

2 Brush Heads Included

OSEB001-W: Features & Specifications

- 18000 OSCILATIONS PER MINUTE
- 2X BRUSH HEADS
- RECHARGEABLE BATTERY VOLTAGE 5V 1A (500MAH)
- 1 HOUR CHARGING TIME
- BATTERY INDICATOR

Engineered to perform, the ONE Personal Collection Sonic Electric Toothbrush is in a class of its own. High-end features with a sleek design to bring you a superior cleaning for an unparalleled brushing experience.

The comfortable handle coupled with the precisely engineered brush heads allow the bristles to oscillate and pulsate, to clean better versus other toothbrush. It's rechargeable with 5 cleaning modes: White, Clean, Sensitive, Deep Clean and Pulse.

Features a auto shut-off after two minutes of brushing and a dentist-recommended auto-alert when brushing the same area for more than 30 seconds.
