Effectively remove fuzz and pet hair using the ONE Home Collection Lint & Hair Remover. This convenient pet hair removal tool is reusable so there's no need to waste batteries which makes it cost-effective and eco-friendly. That also means it will not leave any sticky residue as it doesn't require continuous replacements. It was designed to be lightweight, this makes it easy to carry around and is simple to use. All you have to do is roll it back and forth on the couch, bedding, and other surfaces to remove lint and pet hair. Then, gently push the button to open the lid to remove all the collected hair and lint from the dust bin. It is 100% satisfaction guaranteed and comes with an 18-month limited warranty.
