

Information about returns

Returns

Items can be returned within 14 days after receipt by sending an email to info@dailyhijab.com. Note the order number and the items you wish to return.

If your return has been received in good order, the purchase amount will be refunded within 14 working days after receipt on the bank account used for the payment. You will be refunded the order amount (**shipping cost excluded**).

Note: The shipping costs for return are for your own account.

Conditions

Returns are only possible when the items are in unworn condition and free of stains. The items must be returned in their original packaging.

If the returns do not meet the above requirements or if the returns are returned outside the 14-day period, we reserve the right not to issue a refund. If the customer still wishes to receive the items back in this case, then the new shipping costs are also for the customer's own account.

More information about returns can be found on our website www.dailyhijab.com. For questions, please send an email to: info@dailyhijab.com.
