

CURRICULUM / CONTENT

1. Introduction
 - a. Introduction Video on Low Back Pain
 - b. General Introduction
 - c. Osteopathic Terminology And Abbreviations
 - d. General Approach To Patients With Low Back Pain
 - e. About The Author
2. Chapter 1 The Iliosacral Joints
 - a. First Differentiation
 - b. Biomechanics Of The Iliosacral Joints
 - c. Lesions Dysfunctions Diseases
 - d. Assessment
 - e. Techniques
 - f. Osteopathic Treatment
 - g. Clinical Cases
 - h. Bibliography
 - i. Video Playlist
 - j. To Chapter 2
3. Chapter 2 The Sacroiliac Joints With Visceral Component
 - a. First Differentiation
 - b. Biomechanics Of The Sacrum
 - c. Lesions Dysfunctions Diseases
 - d. Assessment
 - e. Techniques
 - f. Visceral Component
 - g. Pelvic Organs Bladder And Prostate
 - h. Pelvic Organs Uterus And Ovaries
 - i. Osteopathic Treatment
 - j. Clinical Cases
 - k. Bibliography
 - l. Video Playlist
 - m. To Chapter 3
4. Chapter 3 The Lumbar Spine
 - a. First Differentiation
 - b. Biomechanics Of The Lumbar Spine
 - c. Lesions Dysfunctions Diseases
 - d. Assessment
 - e. Techniques
 - f. Osteopathic Treatment
 - g. Clinical Cases
 - h. Bibliography
 - i. Video Playlist
 - j. To Chapter 4
5. Chapter 4 The Hip
 - a. First Differentiation
 - b. Biomechanics Of The Hip
 - c. Lesions Dysfunctions Disease
 - d. Assessment
 - e. Techniques

- f. Osteopathic Treatment
 - g. Clinical Cases
 - h. Bibliography
 - i. Video Playlist
6. Acknowledgement And Disclaimer
 - a. Acknowledgement
 - b. Disclaimer
 7. Extra Scientific Articles on Low Back Pain (added on regular basis)
