

# K4 SUPERLUBE™

## Portable High Pressure Manual Greasing System

### PRODUCT OVERVIEW

The SUPERLUBE™ consists of two main components, a spring loaded hand operated pump that when primed delivers grease through the hose to the patented high pressure / high volume KR Pressurite grease gun.

When set on the high volume setting delivers pressures up to 5,000psi, and when set on the high pressure setting delivers pressures up to 10,000psi. The K4 is an economical alternative to the more expensive air-operated greasing systems.

### KY SUPERGRIP™

3 jaw high pressure coupler

### Sturdy hand actuated pump

Each prime provides 60 shots on high pressure setting

### High volume delivery

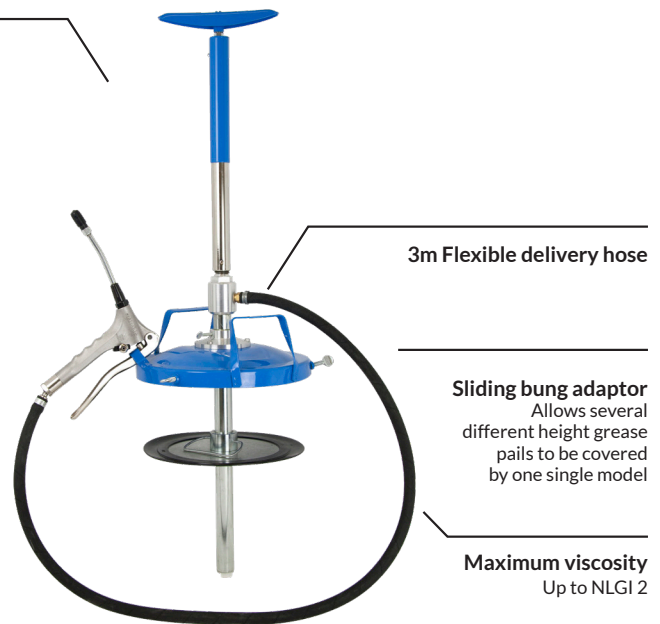

pressure up to 34,450kPa (5,000psi)

### High pressure delivery

pressure up to 68,900kPa (10,000psi)

### Wetted parts

Aluminium, steel, nitrile rubber

K4-01

### FEATURES AND BENEFITS

#### Sliding bung adaptor

allows several different height grease pails from 12.5-20kg to be covered by one single model

#### Can be used as a backup for power operated systems

- In case of a systems malfunction or breakdown eg. power failure.

#### Manual greasing system

Suitable for users who need a high-pressure greasing capability but don't have or can't use air-powered equipment.

#### Light weight and portable

Holds more grease than a conventional handgun and is easily transported to the application.

#### Up to 45 times the grease capacity of a cartridge

Less down time changing grease cartridges

#### Self air bleeding system when first used

No air purging necessary when changing containers

#### Manually operated & light weight with carry handle

Portable, go anywhere system

#### 2 way KR Pressurite Gun

Two grease guns in one

#### High pressure / High volume switch

Can deliver up to 5,000psi on the high volume setting or 10,000psi on the high pressure setting

#### Pressurite gun offers high volume greasing up to 5,000psi

High volume greasing offers superior performance compared to hand held manual grease guns

### PACKAGE INCLUDES

K4 SUPERLUBE™ Portable Greasing system

KR PRESSURITE gun

3m Flexible delivery hose

Follower plate
