Indore, the business capital of Madhya Pradesh is the land with rich agricultural produce and spices. It is also the soul of 'Malwa' culture which is famous for its warm hospitality and delicious ethnic snacks and sweets. Established in 1936, Aakash Global Foods has successfully captured the soul of Malwa culture and the essence of Indore in the taste of variety of Aakash Namkeen and sweets. Today Aakash Global Foods Pvt. Ltd. is one of the distinguished and leading manufacturer and exporters of namkeen (savories) and sweets from India.

It begun as cottage industry and soon with the team's foresight, experience and expertise, Aakash envisioned the emerging needs and trends of the market and was the first to adopt mechanization. This was evolution from cottage industry to modernization. Today the company has one of the best state-of-the-art plants producing products of international standards. This is the reason for the Aakash Global Foods Pvt. Ltd. national and international success.

With the mantra of Quality, Aakash Global Foods has combated sensitive market conditions and cut-throat competition and has always emerged as a leader. The procurement of best quality raw materials, quality processing & the commitment for customer satisfaction, Aakash Global Foods has received overwhelming response from customers across the globe. The export volume boosts of the ever-increasing demand from to U.S.A., Europe, Middle East & other countries.
